*You can only have one mother  
Patient, kind and true,  
No other friend in all the world  
Will ever be so true to you.  
For all her loving kindness  
She asks nothing in return,  
If all the world deserts you  
To your mother, you can turn.  
You can only have one mother  
Please take her to your heart,  
You cannot tell how soon the day  
When you and she must part.  
Let her know how much you love her  
Cheer and comfort her each day,  
For you'll never have another  
When she has passed away.*

*A rose for the mothers who are no longer with us...*
